

Repertoire

FEBRUARY 23, 2010

Volume 1, Issue 1

Professional Aspirations

- To obtain various professional opportunities that encourage further industry growth.
- To network with industry professionals as well as fellow peers.
- To gain and retain knowledge and skills that create distinction and valuable assets to an organization

“People who soar are those who refuse to sit back, sigh and wish things would change. They neither complain of their lot nor passively dream of some distant ship coming in. Rather, they visualize in their minds that they are not quitters; they will not allow life's circumstances to push them down and hold them under.”
